Re: FCC ID: YCW-6098

To Whom It May Concern:

The following application is submitted on behalf of our client, Crane Merchandising Systems Inc, for evaluation of their model CR0006098 for certification under FCC Part 15.247.

The CR0006098 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into host devices. The CR0006098 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.
